

Who is behind  
the anti-White agenda?  
Zionists.

1- **Zionists control most major media outlets:** this is how they easily promote their anti-White agenda.

2- **Whites protect Jews:** since criticising Jews (such as Jewish Zionists) is “definitely unacceptable” in our society, Jewish Zionists are free to do what they want, and no one suspects a thing from them.

3- **Jews can pretend to be Whites:** Jews (such as Jewish Zionists) can promote anti-White messages like “White guilt” and “White self-hatred” while posing as Whites.
